

# ELEMENTS OF ART PACKAGE

**\*\*INCLUDE THE *DEFINITION* AND *TITLE* ON EACH POSTER\*\***

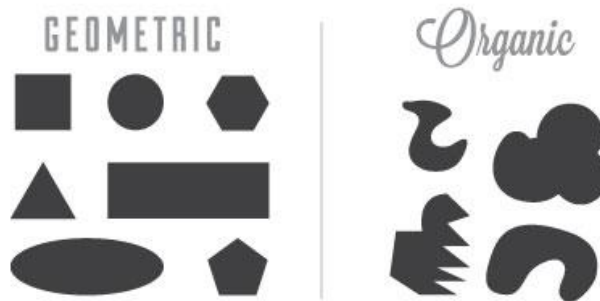

**Each element of art below is its own poster.**

**MAKE SURE TO READ THE INSTRUCTIONS FOR EACH ONE CAREFULLY!!!**

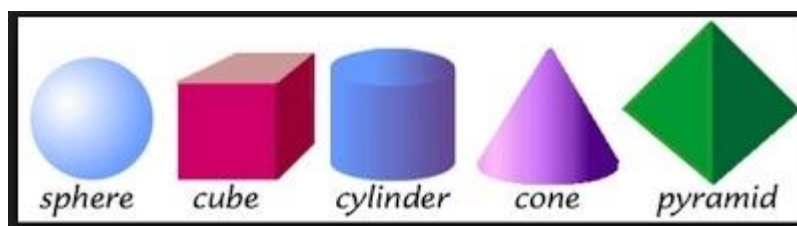

**LINE:** Create a poster that describes line. Use a **variety of media** (pencil crayons, markers, paper, and magazines) to create geometric and organic lines and label each one. **Also find 2 photos in magazines that have a strong emphasis on LINE.**

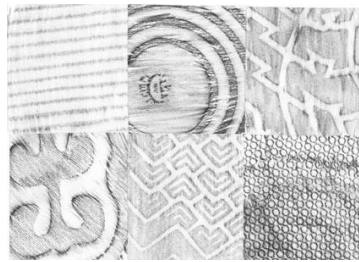

**SHAPE:** Cut a variety of geometric and organic shapes and label each one. Cut them out of construction paper and **assemble them to create** a human, animal or fantasy character. **Also find 2 magazine images** that clearly emphasize shape and use them in your poster.

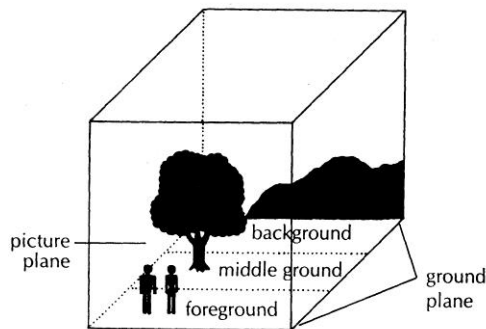

**FORM:** Cut out **3 photos from magazines showing organic form** and label them. Cut out **3 photos from magazines showing geometric form** and label them. **Also draw 2 basic forms** and try to shade them to look **3-dimensional**.

**TEXTURE:** Find **3 great close-up photographs showing texture** in magazines and include them in your poster. Also take a thin piece of paper and **make 3 “rubbings”** to show **3 different types** of texture (examples: bottom of shoe, leaf, table top, back of chair).

**SPACE:** Find **3 landscape photographs in a magazine** that clearly define space. They must have a clear **background, middle ground and foreground**.

**COLOUR:** Create a **colour wheel** using **pencil crayons** and also find **at least 3 photographs** that clearly focus on colour.

**VALUE:** Create a **grey scale in pencil** with **at least 8 steps**. Cut out **strips of solid colour** from magazines and create a **value scale** using **at least 5 boxes**. Also add **2 photos from magazines of objects** that have a strong light source showing value.
